Technical Specifications

Facilities	Dimensions	Capacity	Additional Features
Main Hall	2100 m ²	1000 +	The ultimate stage for weddings and premium events. Expansive, elegant, and fully flexible with VIP entrances, indoor/outdoor options, dedicated production zones, and ample parking. Every detail, handled. Every moment, unforgettable.
Facilities Villa	450m ²	30+	A fully customizable villa dedicated to your wedding prep featuring a private Majlis and a dedicated makeup room, so every moment before the big day is as luxurious as the event itself.
Green Area	6200m ²	500+	A sprawling outdoor canvas with breathtaking landscaping, setting the perfect backdrop for unforgettable open-air events.
Pool Seating Area	850m ²	200+	Poolside elegance meets outdoor dining, beautifully designed space where every seat feels like a retreat.
Mountain Seating	700m ²	100 +	An elevated escape. Perched high with open views, designed for those who appreciate the art of unwinding in style.

Technical Specifications

The Full Resort

The complete Jawharat Al Waseel estate, comprising both The Mountain Zone and The Oasis Zone operates as a single integrated venue. Total area exceeds 39,000 square meters, combining two grand halls accommodating 1000+ people indoor, a classical mountain view area, two pools surrounded by extensive green areas, separate parking for 500+ cars and dedicated facilities across the full site.

The configuration allows a single event to run across two different settings, or two concurrent functions to be hosted with full separation & privacy. When booked in full, the entire estate, including all halls, outdoor areas, preparation facilities, and parking, is reserved exclusively for one client.
